Special Education: What Do I Need to Know?

Special education is instruction designed specifically to meet the unique needs of children with disabilities. It is provided in the most appropriate setting and at no cost to parents or families.

This workshop for parents of children with special needs will answer questions such as:

- Why is it important that parents be involved?
- How can I work effectively with the school?
- What do I need to know about the evaluation process?
- How do we make the Individualized Education Program (IEP) fit the child?
- How do special education and regular education work together?

*This workshop is co-sponsored by the
Stillwater Area Parent Association for
Special Education (PASE)*

Directions to Stillwater Public Library

From Hwy. 36 east – Turn left (north) on Greeley Street. Turn right on Myrtle Street. Turn left on 3rd Street N. The library is located on the left (west) side of the street and parking is available in the underground ramp.
